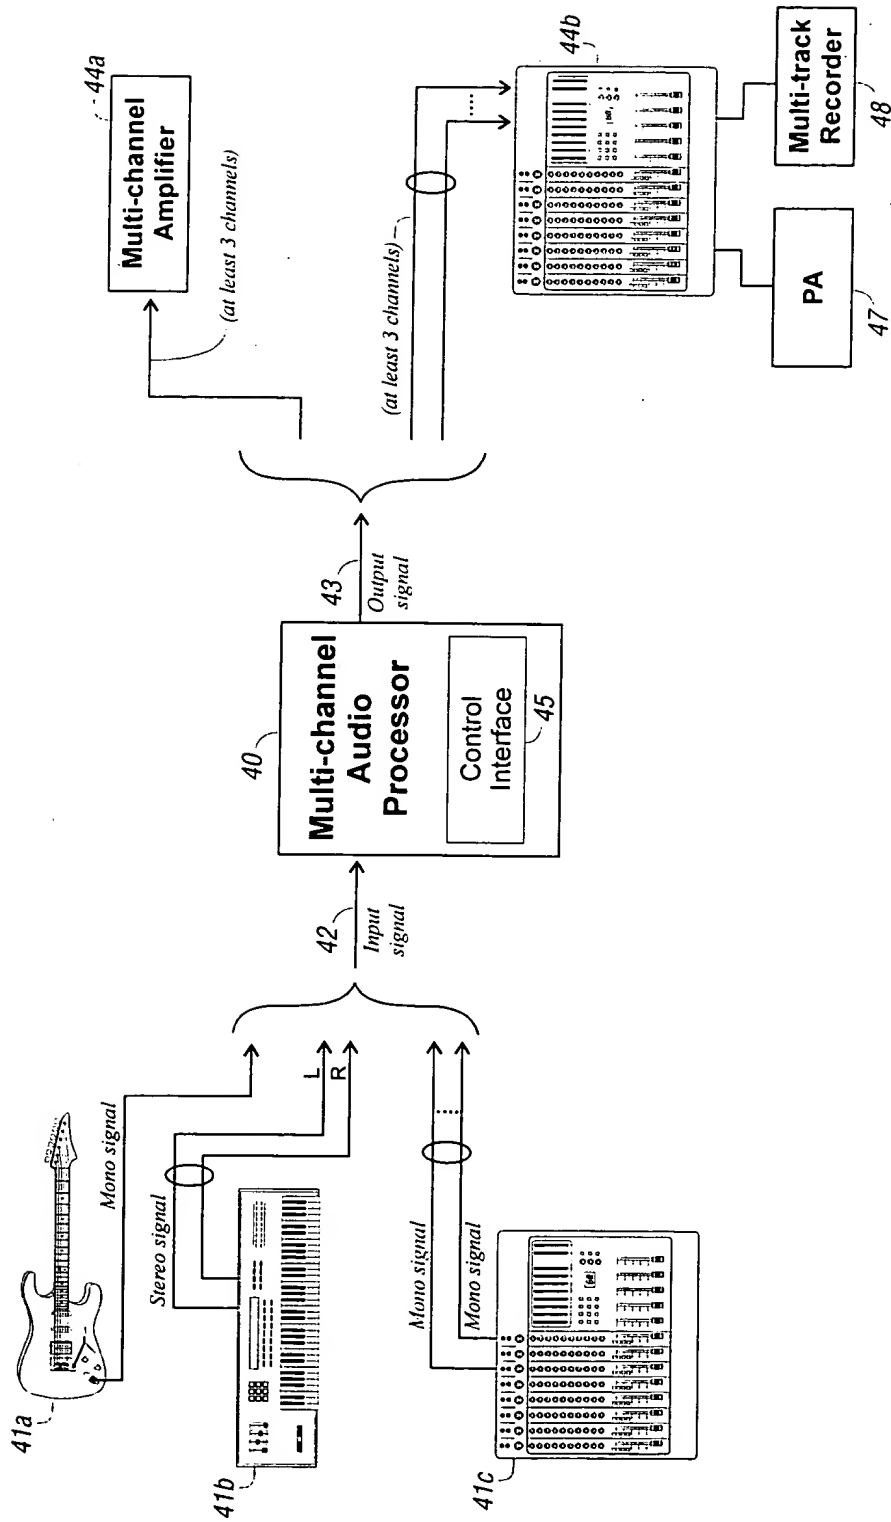

Figure 4

FIG. 5 is a schematic diagram of a control panel 45. The panel includes a display 50 and a set of controls 51. The controls 51 include three circular buttons 51a, 51b, and 51c, and a set of six square buttons 52 arranged in two rows of three. The display 50 is a rectangular screen. The panel 45 is shown in a perspective view.
